catering with style and value

The passing of a loved one leaves the close family with numerous tasks to undertake at a time when they feel least able.

Jean and Eric of Duxford Country Kitchen provide an experienced, discreet and professional catering service for the bereaved family. We are an established company with over 30 years of trading.

To avoid any additional stress, we are most willing to forward our invoice to your solicitor or funeral director to be paid directly from the Estate.

We can offer a variety of menus but will gladly accommodate any requests or requirements that you may have. We are enclosing a selection of our most requested wake menus for these occasions.

We can visit you at your home, work place or venue to discuss your personal needs.
